

# Thunder Tactical Shooters - Team Shirts

*Get 'em while it's hot!*

Through a special arrangement with TechWearUSA, we have designed and are offering any interested shooter, a chance to purchase a "TTS-IDPA Team Jersey."

These TechStatic Polo jerseys include a full collar plus zipper closure on the front. TechWearUSA shirts are light, breathable, and moisture wicking - more a piece of equipment than just a shirt. These shirts provide twice the life of a regular cotton shirt, and the colors remain crisp and vibrant. While the use of a cover garment (in Houston) can cause perspiration, the TechStatic jersey will breathe, and usually dries between stages, keeping you much cooler than cotton alternatives.

Available in a **black-to-blue fade**, these shirts include the TTS Cloud Logo and shooter's name on the front, sleeve logos (US Flag & Comp-Tac.com) and the TTS Name/Logo and website address across the back.

2 Style  
Choices

**Style A** has a small version of the TTS Cloud Logo on the front along with the shooters name.

**Style B** has a large version of the TTS Cloud Logo on the front along with the shooters name.

Style A Front

Standard Back

Style B Front

## ORDER FORM

**SIZING:** Lay a comfortable shirt flat and measure from where the sleeve meets the sides across to the same point on the opposite side. Then double that number. (Example: 2XS = 30" after doubling the number.)

**\$90**

**CHOOSE YOUR SIZE:**    2XS = 30"    XS = 34"    S = 38"    M = 42"    L = 46"  
 XL = 49"    2XL = 52"    3XL = 58"    4XL = 52"    **TALL Versions will add 3" to length!**

**CHOOSE YOUR FRONT:**    Style A    Style B   **NAME ON SHIRT** \_\_\_\_\_
